BYOD System Requirements Bees Creek Primary School

Bees Creek School believes students need to develop skills around flexibility and adaptability when working in the digital age. A non-platform specific approach is more likely to develop the kinds of resourceful thinking that will enable students to remain agile in an ever-changing world.

Although we do not mandate or require a specific device, we do require each device that is coming into the school to meet the following minimum specifications.

There are a variety of laptop and tablet options any electronic store can offer. Harvey Norman also offer parents an option to lease equipment so you don't have to pay for a new device upfront. This option is a good way to trial a device and also includes cover under insurance to protect against accidental damage/loss.

Minimum System Requirements for Laptops

- Windows 10
- Intel Core i5 using Haswell microarchitecture for Year 5/6 students is recommended so they can perform things like video editing, graphic manipulation
- Intel Core i3 for Years 3/4 or lower
- Minimum 8GB of RAM
- Hard Drive: minimum 128GB SSD (flash storage) (256GB SSD or higher recommended)
- WiFi Compatibility: 802.11g/n/ac, WPA₂-Enterprise/802.1x, Dual-Band 2.4GHz + 5GHz
- Display: minimum 1366 by 768 pixels
- Antivirus System (must be purchased/installed) NOTE: Harvey Norman supplies this free of charge
- Battery Life: 6hrs

Minimum System Requirements for Tablets

- QC/minimum 2GB of RAM (higher recommended)
- Hard Drive: minimum 32GB
- WiFi Compatibility
- Display: 9.7"
- Antivirus System (must be purchased/installed)
- Battery Life: 6hrs

****2 in 1 devices, operating as a functional laptop or tablet, are highly recommended over standard devices for students in Years 3 and up. This gives students the flexibility to use their device as a tablet or laptop and widens the scope of use.***

*Suggested Accessories: Protective Case/Cover (shock and splash proof covers start from around \$60)
Headphones (noise cancelling)
Keyboard and Mouse (via Bluetooth for tablets)*
